# Consolidated Nurseries

Box 381

SANTA MONICA, CALIFORNIA

Gentlemen:

Inclosed you will find our price list. We trust you will find something of interest, should you not however, PLEASE WRITE. As we are continually adding new varieties to our already enormous stock and have now many hundreds of varieties not listed both rare and of the more common types.

List #7 is enclosed only to show some of the varieties we handle. The prices have been lowered in practically all varieties from 25% to over 50% in most cases. No. 8 is now in use, No. 9 will be issued in February. A request will bring it to you, if interested.

A sample box (if you have so requested) will be sent you this week, weather permitting, containing cuttings from 50 varieties of the more popular kinds, via express. Express charges collect, no other charge.

Should you wish a much large selection of varieties than those received or of the rarer types we will be pleased to send them to you, though we are compelled to make a very small charge of from \$5.00 to \$10.00 DEPENDING ON THE NUMBER OF VARIETIES REQUESTED.

This charge is, however, refunded on any order amounting to \$50.00 plus a 2% discount and 1000 extra cuttings free, CASH MUST ACCOMPANY THE ORDER and \$10.00 refunded on a \$100.00 order plus 5% discount and 2000 extra free cuttings.

Thanking you for your very appreciative inquiry, assuring you your orders will be very much appreciated and will be given careful, prompt attention, every effort to please. With all competitive prices met with. A much lower price or better cuttings, SATISFACTION GUARANTEED.

Wishing you the best of good wishes.

Sincerely,

OAS/CB
